## AIR FORCE DANCE ON FRIDAY NEXT

The Air Force Orchestra, which by permission of Wing Commander L. E. Wray, is holding a dance on Friday next, has already created a sensation in military circles. The moaning of sweet saxophones, the singing of trombones, the brilliant trumpets and a guitar and drum jazz section will thrill the most blasé of dancers. The reasonable price ensures a large crowd, and we advise your getting to the North Saanich Service Club Hall early, so as to enjoy every moment of this notable event. ## Thanks, President Roosevelt!

A SONG

Respectfully addressed to President Roosevelt, United States of America

Sir:

A Friend in need is a Friend indeed,  
When all is said and done.  
In you the British have a friend —  
The best friend under the sun!  
When Britain was left to struggle alone,  
Who else in the world but you  
Extended the help that spurred Her on  
To fight the Nazi Crew? So,

CHORUS

Thanks, President Roosevelt!  
You are our friend, that's true,  
You've helped us in our time of need,  
And kept us from feeling blue.  
"Winnie" has told you plump and plain  
What we'd like you to do, so,  
"Give us the tools and we'll finish the job!"  
Is all we ask of you. (Repeat.)

As a Champion of Democracy  
Your star has ascended high,  
And through the ages yet to come  
'Twill shine in Democracy's sky,  
And British folks in every land —  
I venture here to say,  
Will Glorify, and Reverence you,  
Until their dying day. So, (Chorus.)

SIDNEY, Vancouver Island, British Columbia, Canada. —BOBBY SLOAN, The Robert Burns of Canada.

This month's B.C. Electric's light bills contain the numbers of houses and business places in Sidney and we urge all such to take note of these numbers and, as soon as possible, to put appropriate design numbers on their premises. A great deal of work has been involved in preparing a system that will prove an asset to the town. The Sidney Businessmen's Association, in co-operation with the B.C. Electric, have spent considerable time and effort in this matter of numbering the many homes. To Mr. Donald Sparling of the Sidney Businessmen's Association is due the thanks of all — he has spent a great deal of time in mapping out the town in co-operation with the B.C. Electric. Thanks are also due the latter for putting these numbers on the light bills. Now it is up to us all to get our numbers up and make Sidney look like a real, up and coming town!

### HIGH SCHOOL DANCE AIDS SPORT FUND

GANGES, March 5.—The High  
School students of the Salt Spring  
Island Consolidated School or-  
ganized a successful dance at the  
Mahon Hall recently for the pur-  
pose of raising funds for the  
school sporting equipment.

Under the convener'ship of Mar-  
guerite Lumley the hall was pret-  
tily decorated by the students in  
a color scheme of yellow, mauve  
and green. Masses of spring  
flowers and pussy willows adorned  
the walls, edged the curtained  
stage and formed miniature gar-  
dens on the window ledges. Nu-  
merous balloons and streamers of  
similar coloring added to the charm  
and attractiveness of the setting.

The dance was attended by over  
100 guests and the music was sup-  
plied by Len Acres' Orchestra

Plant CANADIAN  
CERTIFIED SEED

GOOD seed is the first requirement for an excellent  
crop . . . because only good seed will grow vigorous  
and productive plants.

Canadian Certified Seed Potatoes are good seed potatoes.  
By planting them, higher-quality, cleaner, smoother,  
more uniform potatoes than those grown from ordinary  
seed stock will be produced.

So, this season, to harvest finer potatoes — and more of  
them, plant Canadian Certified Seed.

Be sure to select the variety most suitable for your locality.  
Ask the District Government Inspector, Plant Protection  
Division, for full information and list of nearest distri-  
butors.
